## DON'T FORGET THE ELDERLY

# Let's not forget our Elderly.

Do you have any grandparents that may be lonely? Go visit, take biscuits or give them 30 minutes of your time.

How can you help old people from being lonely?

Maybe you can go and see them, talk about sports you like or your hobbies, they too might enjoy the same things as you.

Do you think old people are boring? WELL THEY AREN'T they just need someone to talk to, and will have lots of interesting things to say.

Being elderly in our society can bring problems; lack of self-confidence and feeling like a burden on society. We are trying to raise awareness of this issue because whether you like it or not we all become old. Wouldn't you like to grow old with your family around you? Now put yourself in your grandparents or great grandparent's shoes. How often would you get to see your grandchildren? What would you do if they weren't there? It's not fun being elderly but you can help, go visit them, grandparents or go and introduce yourself to a care home to visit everyone and enjoy their company.
