"Your pathway to future success"

Why apply to William Brookes Sixth Form?

At William Brookes Sixth Form, a dedicated team of teachers deliver engaging and stimulating provision across the curriculum, which consistently produces strong results, year on year. Small class sizes ensure the students receive high levels of support and feedback on their studies. Teaching is further enhanced by a directed study programme which ensures that students are guided outside of lessons to engage in revision and retrieval activities, ensuring that knowledge gained in class is fully embedded in preparation for the final exams.

Sixth formers at WBS receive exceptional pastoral support, with bespoke guidance from personal tutors on post-16 study skills and post-18 pathways, based on student strengths, interests and ambitions. Students are supported in this process through the use of the Unifrog destinations platform, which helps students to compare opportunities and make successful applications. Further guidance and training is given to those students wishing to pursue competitive places at Oxbridge and for areas such as medicine and law.

Timetabled 'rec and leisure' activities further ensure that sixth formers' personal wellbeing outside of their academic studies is nurtured. Numerous opportunities for personal development are also on offer in order for students to build their all-important CVs, from academic mentoring to paid employment as lunch-time supervisors. Dedicated Sixth Form facilities, such as a café and sun balcony, alongside a common room and study base, mean that students are catered for on every level at WBS.
