WEST MIDLANDS PISTOL SHOOTING CHAMPIONSHIPS

William Brookes' own **Benjamin Adney**, Year 7 (**Sydney 4**), recently participated in at the **West Midlands Pistol Shooting Championships** held at Ellesmere College this past **Wednesday 28 November**.

The Championships consists of Individual and Team events each in three age categories (Junior, Intermediate and Senior), all of which are mixed gender and physical ability.

Benjamin was tasked with shooting a 177 pistol at 10 metres, which was the first time he had shot at that distance! Out of the large Junior field for the Individual event with 48 participants, **Benjamin** came a respectable **22nd**, placing better than over half of the competitors!

Well done Ben!

LIBRARY GUESSING GAME

Thank you everyone who took on the guessing game this week! Our mystery staff member was:

Mrs Pearce– She teaches in the language department!

Normally the students who have guessed correctly would be named but there were too many correct answers.

Please check your classcharts for a **green dot** on Monday. If you have been drawn for the packet of Haribo, it will say "You have won a packet of Haribo! Please see Miss Lee in the library to claim your prize!"

SCIENCE REVISION EXPERIMENT

Calling all Year 10 and 11 students!

Mrs Edge wants to trial a new piece of software that will help with science revision. To do this she needs about 20 students from a combination of Year 10 and 11 who are prepared to stay after school next **Thursday 6 December** for about an hour.

All abilities welcome, ideally she needs a mix of foundation, higher, trilogy and separate science students. Please email *Mrs Edge* if you can take part!

SUPPORT SESSIONS

CHEMISTRY:

There is chemistry help on offer every **Tuesday - Friday** except for Thursdays when there is a parents evening.

This is available to any student, any key stage. There is also lunch time help available by *prior arrangement with individual teachers*.

RELIGIOUS STUDIES:

Every **Tuesday after school** in *Room 104*, for both GCSE and A-Level students, there will be a support and revision session. You can be supported with completing homework, or we can help with revision.

BIOLOGY:

There will be a biology support group after school on **Tuesdays** and **Wednesdays** for KS4 & KS5 students needing help with homework, revision or any other information regarding the subject.

Mrs Bennett - **Tuesday 15.30 - 16.30**

Mr Brett - **Wednesday 15.30 - 16.30**

FRENCH:

GCSE French support sessions will be after school on a **Tuesday** and **Thursday** and KS4 students wanting any extra help with their language learning.

MATHS PUZZLES FROM MS PRYDDEN!

Have a try with these maths puzzles and earn a **green dot**! Come to see *Ms Prydden* with your answers to earn your reward. There will be new maths puzzles every week!

Congratulations to **David Beddow** and **John Bernat i Denny** who correctly worked out that the largest number was 48. The circle puzzle could be solved if you placed 6 in the middle and made each row sum to 18, there are other ways to solve it too!

Which of the following straight lines cuts the shaded area in half?

XA XB XC XD XE

Insert the numbers 1 to 16 (once only) in the Magic Octagon so that the sum of the numbers in every line is 34.

WILLIAM BROOKES SCHOOL PRESENTS

ENCORE! CHRISTMAS EXTRAVAGANZA

Wednesday 12th December 2018
