Activating eDofE accounts

All new participants should have activated their eDofE accounts by now. Welcome packs are only posted by DofE once an account is activated. DofE are experiencing delays sending out Welcome packs, and the postal strikes are not helping either. Please give it at least 8 weeks from activating an account before letting me know you haven't received a Welcome pack.

Expedition section

The deadline for signing up for the school expeditions (Bronze or Silver) has now passed. We will be emailing confirming places and about a parent's information session in the next couple of weeks.

Volunteering opportunity

The Severn Hospice shop in Ironbridge are looking for more weekend volunteers. They need Saturday afternoon and Sunday cover at the moment. No experience necessary as all training will be given. Volunteers would be using the till to serve customers but there are other roles such as shelf filling, tidying, hanging clothes, etc. The manager of the shop is Becca and she can be contacted by emailing ironbridge@severnospice.org.uk or on 01952 432906.

Completing DofE Awards

The expedition section is only one quarter of the Bronze DofE Award. In order to complete their Award, participants must also complete volunteering, physical activity and learning a skill. Each section must have a report written by an assessor at the end of timescale, which must then be uploaded to the participants eDofE account. If participants are having any problems with completing their Award, please contact Miss McCombie.

If a participant is struggling to find suitable activities for their programme, many ideas can be found at www.dofe.org/dofewithadifference/activities

Please remember that program plans need to be entered into eDofE for approval before starting the activity. Once the required time has passed, assessors need to write an assessor report which needs to be uploaded as evidence to eDofE. This can be done at www.dofe.org/assessor

eDofE App

Participants can access their eDofE account via the DofE App. Participants can now set their activities, record evidence and submit programmes for approval at any time, no matter where they are. The DofE App is currently available for participants to download on Android and iOS. You can download the App by going to the Google Play Store or Apple App Store and searching 'The Duke of Edinburgh's Award'.

Open expeditions

If your child is unable to attend the school organised expeditions, then they can join an open expedition run by an Approved Activity Provider (AAP). School uses Chase Training Solutions as their AAP, and the dates of their open expeditions can be found on their website here

INSTRUMENT LESSONS

The Music Heroes tutors are ready to deliver lessons face to face in your school! Our team of professional musicians are experienced tutors in all styles of music from Rock/Pop to classical and bluegrass.

All lessons are one to one and cost £10 for 20 minutes. Invoices are raised each HALF term and are sent directly to parents/carers by email. Feedback/practise notes are prepared by tutors and sent by email after each lesson. Guitars and ukuleles are available for hire. If you have any questions about how we operate, please email gayle@musicheroes.co.uk.

We are happy to offer all students who are interested in learning one of the above instruments, a free taster lesson. If you would like to arrange this, please complete the taster request form and return this to the school office. We will then let you know when the taster lessons are taking place.

Do I look like I care?

Many young carers go unnoticed, don't struggle in silence!

If you are or you know somebody under 18 who helps look after someone in their family, or a friend, who is ill, disabled, has mental health issues or misuses drugs or alcohol, you are classed as being a young carer.

How can Crossroads Together help a young carer?

- Give them chance to meet other young carers
- Teach them new skills
- Make sure someone is there to talk to about their problems
- Take them out on day trips
- Organise group activities
- Give advice on funding
- Provide key information about being a young carer

Get in touch with our Shropshire young carers team today to find out how we can support you in more detail:

Winter WATER SAFETY

In winter, more people who are walking or running alongside water fall in and drown than in any other season.

Slippery paths, patches of ice and a lack of daylight can make being near water more dangerous than in the summer months. If you fall into the water, the cold temperatures make it difficult for you to control your breathing, to use your hands to climb out and can even cause you to have a heart attack.

So, follow our safety tips to make sure that your winter walks are enjoyable and safe.

KEEP BACK FROM THE EDGE

When walking alongside water keep back from the edge.

ONLY USE WELL LIT AREAS

Time your walks to make the most of the daylight; if you need to walk in the evening only use well-lit areas or take a route not alongside water.

KEEP DOGS ON THEIR LEADS

Keep dogs on their leads when near ice and don't throw sticks or toys onto the ice.

TEACH CHILDREN NOT TO GO ON TO THE ICE

Teach children not to go onto the ice under any circumstances.

DON'T GO ON THE ICE TO RESCUE A DOG

Don't go onto ice or into the water to rescue a dog, move to somewhere that the dog will be able to climb out and call them towards you.
