BIATHLON CONGRATULATIONS

Congratulations to all of the Biathletes who competed in the National Schools Biathlon in Bath.

There were some outstanding performances and most of them improved their scores from the qualifying rounds. One student in year 7 improved her score by nearly 900 points which must have been the best improvement of the weekend.

Four of the students were ranked in the top 30 in the country which is an amazing achievement. I really look forward to seeing them continue with their journey in Biathlon as there's definitely a lot of talent within the school.

If you didn't take part this year, you can still participate next year. Just look out for the messages in September as the qualifier will be in the Autumn term.

Do I look like I care?

Many young carers go unnoticed, don't struggle in silence!

If you are or you know somebody under 18 who helps look after someone in their family, or a friend, who is ill, disabled, has mental health issues or misuses drugs or alcohol, you are classed as being a young carer.

How can Crossroads Together help a young carer?

- Give them chance to meet other young carers
- Teach them new skills
- Make sure someone is there to talk to about their problems
- Take them out on day trips
- Organise group activities
- Give advice on funding
- Provide key information about being a young carer

Get in touch with our Shropshire young carers team today to find out how we can support you in more detail:
