## **Teacher of Chemistry** **MPS or UPS** **(depending on candidate experience)** **Full Time, Fixed Term to Easter or Permanent**

We are looking to appoint an inspirational, determined and excellent practitioner to a full-time position to start 1 January 2022. You will already have the skills, qualifications and experience to teach Chemistry throughout KS4 with A level desirable and Science at KS3, communicating effectively to all ages and abilities. This post is suitable for NQTs.

This is an excellent opportunity to join our successful, over-subscribed, school in the heart of rural Shropshire. An Applicant Information Pack and Application Form can be found on our website [www.williambrookes.com](http://www.williambrookes.com).

**If you would like further information about the post, please contact John Connolly in the first instance either by calling 01952 728900 or by email to [jconnolly@williambrookes.com](mailto:jconnolly@williambrookes.com)**

Being the only Coubertin School in the UK and located in the birthplace of the Modern Olympic Games, our state-of-the-art school offers students an innovative and inspirational learning environment.

William Brookes School, is part of The 3-18 Education Trust, a Multi-Academy Trust with students aged from 3-18 and which works collaboratively to provide a most interesting and exciting opportunity for schools to share ideas, resources and expertise, for the added benefit of the students in the Trust.

The 3-18 Education Trust is committed to safeguarding and promoting the welfare of children and young people, as such this post requires acknowledgement and understanding of safeguarding and child protection policies. Policies can be found on the school website:

<http://www.williambrookes.com/about-us/policies-and-documents.php>.

Successful candidates will be subject to an enhanced DBS check and satisfactory references.
