

Year 10 Lesson overview

This overview has been compiled to show parents/carers the topics being taught across the curriculum to allow further support/conversations at home. If there are any sensitive topics you know may affect your child, please contact school prior to the lesson taking place, by at least a couple of weeks. Any lesson that is classified as a sex education lesson is highlighted in pink. It must be agreed with the headteacher to be withdrawn from a sex education lesson at least a term in advance.
