## What a week it's been!

This week, BBC Shropshire interviewed students about the PE kit transition, showcasing their professionalism. A special thanks to Mrs. Leason and staff for leading Year 7 on a fantastic three-day residential to Condover. The Easter event over the weekend saw excellent attendance, with Years 5 and 6 enjoying a delightful time. ## Uniform update

Uniform manufacturers have agreed to sell the branded t-shirt for a cheaper price of £10.75 and are reviewing the price of the leggings. This will mean that the branded items will be more affordable and we won't have the need for the non-branded items moving forward.

## Year group Oscars

The Oscars have returned, celebrating student achievements! Numerous students are being recognised this term for their exceptional effort, outstanding ATL scores, and excellent attendance. Congratulations to all the recipients on their well-deserved rewards!

### Thank You

Just a quick final thank you to the wonderful Hollie Parfitt, Meg Macdonald and Sam Henson. These three lead mentors made it possible for our year 11 stars to support year 8 with their reading. Without their help and monitoring, this would not have been possible.

Thank you to all in year 11 who did so much to help others. Best of luck with your exams and everything beyond.

Miss Weatherill

## Easter Transition Event
