## What a week it's been!

Dear WBS Families,

You may have seen our recent Facebook posts highlighting what has been a particularly busy and successful week at William Brookes School, with many student achievements to celebrate.

Our Year 11 students have now completed their ILM qualification, which is a fantastic accomplishment. In addition, our Year 11 mentors have successfully concluded their work supporting Key Stage 3 students, demonstrating excellent leadership and commitment to the wider school community.

In this edition, there is a dedicated section focusing on the upcoming Year 11 examinations, with the first exam—English Literature—taking place on Monday 11th May.

We also hosted a very successful Year 10 information evening on Tuesday, where students and parents received valuable guidance on preparing effectively for GCSEs. Included in this newsletter is a link to the GCSE Revision Hub, along with details on how to access it. You will also find important information regarding the upcoming Year 10 end-of-year examinations.

Mrs Mincher Deputy Head Teacher

# Year 11 Exam Arrangements and Time table

## Important update

By Monday 15th June, the big whole year group GCSE examinations will have been completed. Further communication will be sent outlining the process for granting permission for your son or daughter to be collected from school. Please note that all students must be collected by a parent or carer.

Students who are sitting Spanish examinations on Tuesday 16th June (morning) may leave the site at 11:15am, provided they are collected by a parent. The same arrangements will apply for students taking the Spanish examination on Wednesday 17th June.

A separate letter will be sent with full details on how to book a collection time. No student will be allowed to leave site without parental collection.

## Be prepared

In exams, bringing a phone or watch is considered malpractice and can lead to penalties.

Mobile phones are not allowed in exam rooms, regardless of battery status or whether they are switched on.

Watches are also prohibited, as they may have advanced features that could be misused.

Students often bring these devices out of habit, but they risk losing marks or being disqualified if caught. All students will need to hand these in at the start of the day.

It's crucial to follow the rules to ensure a fair examination experience.
