## What a week it's been!

Dear WBS Families,

The school site is looking absolutely fantastic, with the track nearly ready for Sports Day – just a few final touches to go! We are very much looking forward to an exciting and successful event next week.

This week also saw student voice continue with Year 10 and our Student Parliament, who have been focusing on practical ways to improve school life. Their thoughtful ideas and suggestions have been impressive, and we are looking forward to seeing their presentations next week. We are also delighted to celebrate the success of our City & Guilds students, who were recently awarded their certificates. A huge well done to all involved – a fantastic achievement.

Looking ahead, planning is now underway for our Summer Fair. Last year, thanks to the incredible support of our community, we raised over £600 towards student rewards.

This year, we are hoping to make the event even bigger and better. We would really appreciate any support from families, whether that is:

- Volunteering on the day, or
- Making a donation to support stalls, prizes, or activities

Your support makes a real difference and helps us to continue enhancing opportunities and rewards for our students.

Thank you, as always, for your continued support.

Mrs Mincher Deputy Head Teacher

# Rewards

## ★ Exciting Plans to Strengthen Student Rewards ★

At William Brookes School, we are committed to recognising and celebrating the achievements of our students. We are pleased to share that we have ambitious plans to further strengthen our rewards system next academic year.

These developments are being shaped directly by student voice, with pupils sharing some fantastic ideas about how they would like their efforts and successes to be recognised. In particular, students have highlighted:

A desire for greater recognition at presentation evenings

The introduction of a reward club, where points can be earned and exchanged for special experiences and opportunities.

More consistent and visible celebration of achievement across the school

To help bring these ideas to life, fundraising will play a vital role. Income generated through the school lottery and our upcoming Summer Fair will directly support the enhancement of rewards for students.

We are excited about the opportunities ahead and truly believe these developments will have a positive impact on motivation, engagement, and school culture.

Together, with the support of our families and community, we can make this vision a reality.

Thank you, as always, for your continued support.

One of the many actions that has come out of the student voice:

Student parliament are present the full action plan to Senior staff on Monday!

Year 10 boys are meeting us on Tuesday to discuss a rewards games room.

### Special Recognition Evenings

🎉 Introduce a formal Presentation Evening to celebrate:

- Academic success
- Effort Progress Contribution

💬 Students want recognition to feel special and meaningful

Base it on sports awards evening.
