📣 The Big Listen for Youth is live!

We'd love to hear from young people aged 11–25 across Shropshire about what it's really like growing up here.
· What do they enjoy?
· What can make life harder?
· What would they like to see more of?
· And what do they want adults and decision-makers to understand?
What young people tell us will help shape the work we're doing to strengthen Shropshire's offer for young people and inform what happens next.

If you work with young people, know young people, or have links with schools, groups or community organisations, please help us spread the word 💙

We are really keen to hear from a wide and diverse range of young people, including young people with SEND and those who may need additional support to have their voice heard.
